

**Harborlight Nursery School, Inc.**  
**Future Harborlight Student Form**

Dear Parents,

This letter is for those of you who may have a younger child you would like to enroll at Harborlight Nursery School someday. We see so many of you with little ones in tow or on the way, but we never know just when they will be ready for school. We will make up a list of "Future Harborlighters" so that when registration time rolls around we can forward a form to you. As you know from this year, we send out forms to families currently in the school in December and then open registrations to new families in January. If we have your name on the list, you will also receive a registration form in December along with other returning families.

If you would like to be included in this notification process, please fill out the information below and return it to the school office. Of course, you can call anytime to find out about changes that may occur or to schedule a visit for your child. This will not reserve a space for you and does not commit you to this school. It just ensures "on time" registration will be available to you.

Thank you for sharing your children with us!

Sincerely,  
*Jessie Vogel*
